

Games start at 7:30 p.m.  
Doris Bair Fields

Blue Chips Training & Recruiting, LLC along with LYSA is creating another night dedicated to Juvenile Diabetes. On April 23rd, we will have 7 games of all age groups, playing to raise money for this cause. The JDRF will receive all proceeds from this night.

There will be sponsors on each field that will donate per run scored. There will also be a raffle to participate in. Bring your friends, family, neighbors, other sports enthusiasts, etc!
